Assignment 3

brand mantra

"Breaking Language Barriers"
A clear and powerful statement that reflects our mission to remove communication obstacles and connect people worldwide.

Brand Identity

1.Logo, Elements & Attributes

- **Logo Design:**

- **Explanation:** The logo is designed to reflect our app's focus on real-time translation and connectivity.
- **Tone & Personality:** friendly

2.Typography and Colors

- **Typography: Nunito Sans** for its friendly, approachable feel and **Poppins** for its modern, structured clarity—together they reflect our mission to break language barriers.
- **Colors: Primary:** Bootstrap Blue — represents trust, clarity, and technology

1. Marketing Strategy

Target Audience:

- Tourists.
- Students.
- Travelers.
- Professionals working with foreigners.

Channels:

- **Social Media** – Create engaging content on Instagram, TikTok, and X.
- **Partnerships** – Partnerships with schools and universities that have students studying in different languages, tourism companies, and tech influencers
- **App Ads** – Run ads inside popular apps
- **Referral Program** – Encourage users to invite friends with rewards.

Messaging:

- *"TalkMate – Secure, simple, fast, and with you wherever you go around the world."*

Go-To-Market Plan

- ### Who are your early adopters?

people who have problems with communications

2. Feedback & Reporting

- Collect user reviews from app stores.
- Short in-app surveys for direct feedback.
- Monthly analysis of downloads, daily active usage, and subscription renewals to identify top markets and areas for improvement.
